

St. Paul Church & School News

A Weekly News Edition for the week of August 2, 2020

IMPORTANT: Wearing a mask is expected of each worshiper during the songs and spoken portions of our service. The acts of speaking, singing, coughing and sneezing are the primary ways of spreading the virus to others. Worshipers may remove their masks during the “extended listening” portions of worship, such as the scripture readings and sermon. Pastors and worship leaders will wear masks when interacting with the congregation. They will not, however, wear masks as they lead worship because of their significant distance from the congregation. Remember, wearing a mask is for **your** safety and the safety of your St. Paul family.

MINISTRY

Bible Class Interest—Pastor Andrzejewski is itching to launch into our Sunday morning Bible Class once again! Our plan is to follow suit with how the schools will open: whether it will be in-person gatherings or zoom gatherings. Since we are still waiting to hear which one that may be, we will be using that time to make sure everyone has an opportunity to sign up for Bible Class at the welcome center. Due to CDC guidelines, we will be taking precautionary measures to make sure everyone has the opportunity to sit in while maintaining 6 feet of space for the Holy Spirit in between tables and chairs. With the sign up sheet, it will help us organize the lounge for social distancing. August

23rd is our opening date for Bible Class. Sign up and reserve your spot today!
