FAQ's and Facts

Welcome back to this Christmas edition of FAQs and Facts!

If you missed our previous episode (October edition), we discussed animals in heaven, dinosaurs, and ghosts. Stay tuned to find out what questions we'll ask next!

FAQ 1: How long did it take Mary and Joseph to get to Bethlehem?

You've probably seen this picture before and maybe this is what you imagine. Do you have any idea how long and tiresome that journey was? All we know is this from Lk: **Joseph went up from Galilee to be registered with Mary who was with child.** Here's what amazing: that journey is about 90 miles. One way. 4 days of walking. At least a 2.5 mph pace for roughly 8 hours a day. Moms- if you were pregnant, how would waddling for eight hours sound like? But they did. And she went. Because that's what it took to get him there.

FAQ 2: In what kind of place was Jesus born?

People answer in at least 3 different ways: in a cave, in a 1st century barn, or in a house. (fun fact: this picture was taken at a church in Bethlehem called the Church of the Nativity where it's believed to be the precise location of Jesus' birth). This is what Luke says, **laid him in a manger, because there was no place for them in the inn.** Mangers, if you didn't know, are feeding troughs for animals. And in the 1st century, people who owned animals would take them into their house overnight, keep them on the first floor where in the corner of the room would be their feeding troughs, their manger. It's more than likely that David had family in his hometown and stayed down there on the first floor because there was no more room in the Bethlehem Motel 6. And so they went- because that's what it took to get him there.

FAQ 3: What animals were really there?

In the nativity scene, what animals do you picture? Many would say an ox, a lamb, or a donkey. That imagery, that scene, is real. True. Only because of what Isaiah 1:3, where it says **The ox knows its owner, and the donkey its master's crib,** (the word crib in the Hebrew means manger). So Mary and Joseph slept with the donkeys that night because that's what it took to get him there.

Whatever you do, ask the questions. Imagine the scenes. Enjoy the narratives. We are blessed beyond measure to have the one thing that we know happened: Jesus Christ born to us! Merry Christmas!

Our Mission

"Equip, Support, Serve, Witness Where God Calls Us!"

Our Statement of Purpose

St. Paul Lutheran School equips children for a life of service with a foundation of academic, physical, spiritual, and social maturity centered around Christ Jesus.

Come On In

On a Friday a few weeks ago, our principal, Mr. Francik, brought a "tour" to the 1st and 2nd Grade classroom, a mother with her first grade son, looking at our school. The boy did not have a good year in kindergarten at his last school. The mother is trying home schooling this year, but here she was, with her son, on a Friday, looking at a new school- at St. Paul.

The mom talked to Mr. Francik as they walked into our classroom and looked around. The boy stayed in the hall. The mom asked him to come in. He shook his head "no." She cautioned that he wouldn't come in. She pointed out the logs, the Legos, the puppets. As Mr. Francik and the mom talked, I introduced myself to the boy. My class looked on, hoping to see who I was talking to. I introduced myself, assuring him, and suggesting that he might as well look at what his mom was talking about.

He slowly walked into the room. I introduced the group. Our students couldn't stay seated as they told their names and excitedly told him something about our school day. They told him about the archeological dig we had just been on and gently led him to look at the artifacts we found. As their hands patted his shoulders, they

took him to see our calendar and the baskets of things we use for math. They opened books they are enjoying reading and the binders where we keep our collections of words. They held out pretty stones and feathers and leaves for him to see. He asked about places on the globe and they spun it around to find them for him. They pushed little treasures into his hands to take as a memento. Most importantly, the entire time, they surrounded him with love.

Our children saw a boy who was afraid and shy, and, knowing that Jesus is a friend to children, knowing that Jesus is their friend, they surrounded this child with friendship and love.

What a blessing it is that we have a school where our children learn the love of Jesus, and knowing that, willingly, naturally, show that love to others.

Do you know a child that needs to know the love of Jesus? Your teachers at St. Paul are honored to partner with you in training that child in mind and spirit. And our students? They can't wait to surround him and bring him into our St. Paul Family, into God's family, for life.

Merry Christmas From the Staff of St. Paul Lutheran

Viking News Every Friday, we send home our school newspaper – *The Viking*. We send it home with the children and also by email. If you would like to receive the Viking by email, please make sure the school office has your email address. You may send it to bmackinder@stpaulroyaloak.org.
